

Vinir Úlfjótsvatns

When it comes to run a Scout center, you first ask yourself what are the most important items you must ensure that are there for the place to run smoothly and enjoyable for everybody.

It is quite easy to fall in vague things like program, accommodation, facilities etc etc... but those, those are purely operations inside a concept.

What do you want to be? Who do you want to be?

For us, above all, is the sense of belonging. The feeling that we belong to the place, and the place belong to us. A little bit of our heart in the place and a little bit of the place in our heart. The feeling of belonging to something is incomparable to many other ways of measuring the success of an enterprise.

Friends of Úlfjótsvatn will have the responsibility of bringing the soul the Center deserves. Years and years of memories, lots of moments that became stories, stories that became history, history that belongs here.

Come with us, and help us to build up an environment in which Icelanders and foreigners would feel like at home.

Come with us and let the place belong to you...

Helgi fyrir vini Úlfjótsvatns

Why?

Easy, Úlfjótsvatn needs help, but not any kind of help. It needs people who really love the place to help us running the busiest periods of the year. Specific days, weekends or events when we will need some extra hands to show the world what role can scouting play in a society.

How?

We are putting together a team of people that can support Usu on call. We are running a weekend when we will train that team in the tasks they'll be doing in Úlfjótsvatn. With that, we will have a solid group of friends who, during busy periods, could come to Usu and operate as one big unit. Together. In addition to that, this team of people will develop personal projects in Usu coming from their creativity, vision or imagination.

What?

Vinir ulfjótsvatns will volunteer for the center. 1 day, 2 days, 1 week, whenever they can, and whenever they want.

In return, we will ensure that these people get some exclusive benefits. Clothing, unforgettable weekends, special thanks dinners and much more to be determined.

When?

The first weekend of June (5th 6th and 7th)

Starting on Friday evening and finishing on Sunday just after lunch.

How much?

Of course nothing! This weekend and many other benefits are on the house.

We would not be the same without the sweat and blood of many of you. We acknowledge that, and the least we can do for you is to let our doors wide open for those who want to venture with us.

Who?

Every Scout over 16 years old willing to help in any or every of the areas at the center.

Alright but... What are we actually doing?
